Amazon Web Services Private Limited

OFFER CUM APPOINTMENT LETTER

Dear Ranjan Das,

On behalf of Amazon Web Services Private Limited ("the Company" or "AWS") incorporated under the laws applicable to the Company and having its registered office at Washington, DC, USA, we are pleased to offer you the position of Cloud and Network Security Engineer on a Work from Home basis.

Your employment with AWS shall be subject to your acceptance of this Offer cum Appointment Letter and the terms and conditions set forth hereinbelow. If you wish to accept employment with AWS, please communicate your acceptance in writing within 10 business days from the date of this letter. Failing which, this offer shall expire.

Upon your acceptance, this Offer cum Appointment Letter shall constitute a valid and binding contract of employment between you and AWS, governed by the terms stated herein.

1. Date of Commencement
Your employment with Amazon Web Services will commence on 08-Sep-2025.

2. Duties
2.1 You will be employed in the position of Cloud and Network Security Engineer. Your manager will provide guidance on your project responsibilities after joining. You are expected to perform your duties to the best of your ability and as per the responsibilities advised by your manager at the time of project allocation or amended from time to time.
2.2 You will be required to comply with AWS's rules, regulations, policies, and procedures, including but not limited to the AWS Code of Conduct, Security Guidelines, and Compliance Policies. AWS reserves the right to change such policies at its sole discretion and you shall be bound by the same.

3. Work Arrangement
You will be engaged on a Work from Home basis. However, AWS may require you to attend meetings, training, or official visits to AWS offices or client locations when necessary.

4. Compensation
You will be compensated on a Project-Based Salary Model, which will be communicated to you in writing at the beginning of each project. Payment will be made upon satisfactory completion of

assigned project deliverables, in accordance with AWS's policies.

5. Confidentiality
You will be required to maintain the confidentiality of AWS's intellectual property, business information, and customer data at all times during and after your engagement.

6. Termination
Your engagement may be terminated by either party by giving 15 days' prior written notice or compensation in lieu thereof, subject to AWS's policies in force.

We look forward to your contributions in strengthening the security, scalability, and resilience of AWS cloud solutions.

Yours sincerely,
From Amazon Web Services Private Limited
